Collectible Fishing Lures (Warman's Companion)

Synopsis

Get hooked on one of the oldest of all collecting hobbies with this go-to-guide of fishing lures. A great pick-up-to-peruse type of book, built for toting to shows and antique shops, this lure reference aids you in your effort to accurately identify, price and better understand the history behind vintage and modern lures from 31 manufactures, starting with the Big Six (Heddon, PawPaw, Creek Chub, Plueger, Shakespeare and South Bend).

Customer Reviews

A great guide to have around when checking through any new lures acquired at the local auction or the neighborhood yard sale. Never know what the lure might really be worth so have this guide close by to check.

This is a nice size to carry, but just isn't extensive enough to use as a daily reference. Will certainly get you going and help in the field a bit for identification, but needs to put a lot more info in there to make it a truly useable reference.

MY UNCLE WALKED THE SHORE IN FRONT OF HIS CABIN FOR OVER 40 YEARS....UPON HIS DEATH, RECENTLY,I UNCOVERED SIX TACKEL BOXES, FILLED WITH LURES HE PICKED UP OVER THOSE YEARS. THE BOOK HASHELPED ME TO IDENTIFY SEVERAL AND THEIR WORTH BUT I STILL HAVE MANY MORE TO FIND...I'LL BE LOOKINGFOR ANOTHER BOOK SOON.....

Very informative especially when your new to collecting. Real nice breakdown with pictures and great description, Now if I only owned one of everything listed.

This book has great information on all the large lure manufacturers. If you are just starting as a lure collector, it is a great first book.

Book was what I was looking for.Price was great.Service was excel;lent.You won't be sorry if you buy this book.
