Filipino Homestyle Dishes: Delicious Meals In Minutes

Synopsis

Cook delicious and authentic homemade dishes with this easy-to-use Filipino cookbook. Filipino food is one of the least well-known of all Southeast Asian cuisines. Strongly influenced by the historical presence of the Spaniards, Chinese and Americans, it lacks the singular national identity that characterizes the food of other nations. Yet it is precisely that indefinable quality, this veil of mystery surrounding it, that makes Filipino food such an interesting and delicious discovery. Filipino Homestyle Dishes offers the best of Filipino cuisine—more than 60 classic Filipino recipes as they are prepared in Filipino homes. From delightful snacks to delectable seafood, rice and noodle dishes, this wonderful Filipino cookbook is full of utterly delightful Filipino fare. Making these classic Filipino dishes has never been easier—a quick trip to your local supermarket for some basic ingredients is all you need to enjoy these mouthwatering recipes. Clear recipes, step-by-step photographs and a glossary of ingredients ensure fantastic results every time! Authentic Filipino recipes include: Tasty Pork and Shrimp Spring Rolls Braised Vegetables with Fish Shrimp Rice Noodles Chicken and Pork Adobo Stuffed Beef Roll Iced Fruit Mix (Halo-Halo) And many more! Many of the dishes are personal favorites of the author; all have been kitchen tested and are representative of true Filipino cuisine, in all its diversity, simplicity and complexity. They are a magical discovery of the food of a resilient people who, while adopting foreign influences, have managed to create a cuisine that is truly their own—part Western, part Asian, and uniquely Filipino.

Customer Reviews

Though the book sensibly substitutes ingredients found in the Philippines for items that are more readily available in local US stores, the compromise in taste is not noticeable (if there even is). All in all, it is a short but very helpful book that taught me how to cook a few homestyle dishes that I know, miss and love. If there is any bane to it, it would be that it did not have more recipes tucked away in its small, but informative pages.

The Filipino dishes in this cookbook are popular and the recipes are clear to follow. The ingredients are basic. Lastly, the results are not disappointing to the palate. Beautiful photos. Highly recommended!

This is a very good book for beginning Filipino food eaters. But it is missing some of the more "interesting" Filipino food recipes such as Dinuguan (pork blood stew) and sinigang (sourfish soup). The version of Caldereta is made with beef instead of the traditional goat meat. Other than these minor omissions, this isn't too bad of a cook book. It has very nice color pictures and a fairly good glossary.

This is a perfect cookbook that beautifully brings out the beauty and delicious flavors of Filipino cuisine. I'm actually happy that it doesn't have all the "exotic" stuff such as dinuguan, goat meat stew, paksiw etc. It's presented in a modern, slightly Americanized way which I think is proper for Filipinos and non-Filipinos alike. I love the pictures! Very beautifully done.

Nice size, spring bound, stunning mouth-watering photography and simply worded instructions of many traditional and practical Filipino dishes. The sample presentations elevate the cuisine to gourmet! The book makes cooking Filipino meals a joy, instead of an intimidating task.

The colorful pictures of Filipino dishes makes this cookbook so attractive. The recipes are easy to follow and not too difficult to prepare. If you're looking to try Filipino recipes, this would be a great cookbook to own!

There are so many different versions of Filipino dishes, but this cookbook is really great for the basics. If you haven't learned from your grandma yet, the recipes in here will definitely hold you over until you get a chance to visit her. Or if you're not Filipino and you know Filipino food is delicious, you should totally get this and impress all your friends. The instructions are incredibly easy to follow and

all the recipes have pictures (I hate cookbooks without pictures). There's also some brief history of Filipino cuisine, which I found really interesting.

All recipes are easy to cook and authentic. Pictures of dishes are great. I have a Filipino friend and she says that this one is the best out there for homestyle Filipino dishes. I had loaned my first book to a "friend" because she was always raving about the recipes and she never returned it. I had to replace it and was glad to find that carried it.
