Customer Reviews

Free books are always worth their price (sometimes, even more!!)!!! The book is very humorous, if you like 'your momma' jokes, that is...

It was so funny and I was really amazed how funny they were and some of them didn't make sense

This book is offensive to mother's everywhere because it's saying that mother's are fat, ugly, and lazy. When I was a kid I lost a great friend for telling her, "Yo mama's so fat, she put on her lipstick with a paint roller." She never, EVER spoke to me again, not even when she moved to Arizona.

Most of these I've heard before, but I like these and they're ok. Get this book for a quick laugh.

Most of the jokes were mine but you did have just what I was looking to. It was very funny

its stupid to have this book it is mean to women it should not be on here I whant this to be hered I hate it (not even funny dont buy)

This is great not funny I fell asleep on the first page. Guess what this is and I'm telling you the answer NOT funny.

Well it was ok and some were really funny I wish there were more funny ones. That's all I can say about the book.
