A Stained Glass Journey: Out And About With Jillian Sawyer

Synopsis

Showcasing the stained glass designs of Jillian Sawyerâ from door panels, door surrounds, and feature windows to portholes, entrance ways, and restaurant windowsâ this book highlights her unique ability to bring life and color to all her subjects, despite the constraints of designing for this difficult medium. Eighty designs including flora, birdlife, witches, a laden grapevine, and a harlequin are detailed in line drawings, with numerous color photos of the finished pieces. Quilters will appreciate the smooth transition of these patterns to their craft with each section of glass representing a section of fabric.
