I Don't Want A Divorce: A 90 Day Guide To Saving Your Marriage

Synopsis

What could be good about a bad marriage? The good news is, you can get beyond that old marriage and its destructive habits, and build a brand-new one with the same spouse. And you can do it in just 90 days, even if only one spouse is committed to change. Thousands of couples in marriages that are on the brink will never enter a therapist's office, and for others it's too late by the time they do agree to come. But for more than 20 years, David Clarke has seen marriages turn around in just 12 weeks. Here he takes his 90-day plan and presents it using humor, Scripture, and personal stories to help couples turn difficult marriages into great ones. Whether the issue is communication, the kids, negative attitudes, or even serious sin, Clarke's personalized approach will put readers on the road to a great marriage.

Customer Reviews

When a marriage reaches the point where the "D" word is tossed about like a hand grenade, it is hard to imagine that it can be saved, even though there are hundreds of books and programs that promise to do just that. The problem is that the efforts are usually one-sided; seldom do you see a

couple in crisis calmly selecting a book on how to save their marriage. Yet, it has been Dr. David Clarke's experience that even the most hopeless of situations can be turned around with proper guidance and faith. I DON'T WANT A DIVORCE is actually two guides in one. The first section is for couples who recognize that there are problems in their marriage and agree to work on them together. These problems can be a result of lost passion, arguments over children and finances that never get resolved, or some continuing sin. Dr. Clarke calls this "Dead Marriage Walking." The second section is for those who have a spouse who is unwilling to change. Although the author refers to the unmovable "Stick" as the husband, it could just as easily be the wife. It is the partner who is content to maintain the status quo even though the status is miserable. Dr. Clarke writes: "Well, you married a Stick and now you're stuck." Yikes, not very compassionate there, Doc. But hold on. While Chapters 2 through 13 are loaded with wonderful ideas and exercises to help couples recover from a sickly marriage, it is in the latter chapters that the most difficult work gets done...when one of the partners is not willing to help. Unlike many well-meaning Christian counselors, Dr. Clarke does not recommend that a woman married to a Stick stay stuck. He does not advise her to be submissive and to continue loving the Stick until he realizes the error of his ways and turns into a wonderful man of God. Instead, Dr.
