Customer Reviews

1. I order "The Official U.S. Mint Quarters 1965-1998 (P and D Album) (Hardcover)", but I received this one for the dimes. After I e-mail , they send me a e-mail apologizing abut the mistake and they send me another package with.... hold on..."The Official U.S. Mint Dime Coin Album".Anyway it looks good.2. "Lincoln Cents Folder #2, 1941-1974" is exactly what I expected: quality and the right one. ;)3. "Child Locator- Brown" looks great. It's funny and good to have. Hopefully I'm not gonna use it.

Kids could not get the coins in the pages. When they did, then they could not get them back. These books are for collectors and not kids. For kids, we went and got the 'states' map book.
