# When You Were Very Small

## Synopsis

"On the day you were born, you were very small, very special, and very clever," begins this wisely reassuring book. Delightful illustrations trace the child's development from breathing to sleeping to talking and dressing to exploring the larger world. The bright, but gentle drawings compliment this wonderful exploration of a child's early years. The perfect gift for a baby shower or a curious toddler.

## Customer Reviews

STARTING FROM THE DAY OF BIRTH, THIS BOOK HAS GREAT PAGES FULL OF EASY TEXT THAT CONVEY LOTS OF MEANING AND LOVE YET IS STILL LIVELY AND EDUCATIONAL.

I have been reading this book to my grandson since he was six months old; he is now 21 months. I am ordering another copy to put away for him. He brings the book to me at least twice a day, climbs up on the couch and doesn't leave until I finish it. He smiles for each and every page. After I read it he turns the pages and I have to describe the pictures. It's a routine that he and I enjoy together everyday. He just loves this book. He tore out a couple of pages, but I taped them back together.
