Mansa Musa was one of the great rulers in African history. He was so extraordinary that the Mandinke considered him the "Black Moses," believing he had been sent from Allah to build Mali into a mighty empire, the greatest in the medieval world. "My Little African King," written and illustrated by Katherine Roundtree, is a children's book with an Afrocentric flavor. In the book, a contemporary Black mother tells her son about Mansa Musa, the 14th century ruler of the African empire of Mali. Roundtree's simple rhyming text is accompanied by colorful, evocative artwork. My problem with the book lies in the author's portrayal of Mansa Musa, and with the values the book seems to promote. Throughout the book she focuses on Mansa Musa's wealth, military power, and authoritarian control of his domain. Typical illustrations show a decadent cache of coins and golden artifacts, soldiers riding with swords drawn, and armed security guards marching in formation. The text thus seems to celebrate a militaristic, violent, wealth-obsessed police state. Ironically, the text notes that Mansa Musa's empire stretched from "the salt mines of Taghaza to the copper mines of Kakedda." Of course, Roundtree conveniently avoids mentioning that these sites were probably worked by slave labor. One encyclopedia article I

consulted noted that Mansa Musa took a personal retinue of 12,000 slaves with him during a pilgrimage to Mecca. Thus there seems to be a bit of "politically correct" evasiveness to Roundtree's portrait. Roundtree is clearly a talented writer/illustrator, but this book raises some troubling questions. I recommend that concerned parents preview this book before sharing it with their children.
