The Complete Armor Of God (Spiritual Warfare For End Time Warriors Book 1)

Synopsis

By learning what each piece of the Armor is for they will understand why Paul didn't include the Isaiah pieces. This is going to enable Spiritual Warriors to move into deeper realms of warfare. Which will allow them to be more successful in Spiritual Battles. Pastor George was delivered from occult practices as a young adult. For the last twenty years he has used his past to help deliver others from the lies of the devil. He has trained others in Spiritual Warfare and Spiritual Breakthrough techniques based solely on the Bible.

Customer Reviews

I have read Pastor McVey's book on Spiritual warfare, The Complete Armor of God (Spiritual Warfare for End Time Warriors) and I came away with much insight. It is a really good book. I read about the armor of God in the Bible but Pastor McVey's explanation makes it easy to understand just how we can apply this in our daily lives. I am currently reading another of his books called Prayer Walking for Spiritual Breakthrough. His books are a joy to read. No technical jargon, he makes them easy to read for the lay person and therefore it makes it easy to learn from him. I read his books on the Kindle App I have obtained free from for my iPad. I can't wait to read more of his books and they are not lengthy, which makes it nice to read them and realize the intention of them

without having to read hundreds of pages. Also, Pastor McVey is not greedy. I have paid \$.99 for each of his books and no one can say that is too much. It is graciousness on his part and shows he believes in educating the world spiritually.

Wow! What a powerful little book. I feel as if I could stand up with the best of them in Gods Armor and defend against the devil and all his minions. This is a must read book. They say "big things come in small packages" well this is one of them. I will be posting all the different parts of the Armor of God on my wall to remind me not to forget it each morning when I wake up. I will use it to defend my family and any one else the devil decides to intimidate or harm.

This was a great book. I have always known about the armor of God in Ephesians, but didn't quit know how to use it properly. Now I do, thank you! Learning about the offensive armor was very eye opening. Again, thank you for your knowledge. I highly recommend this book to every christian.

I have heard the story of the Armour of God for many years by many pastors. But I must say tha Pastor McVey certainly helped me understand it in a completely different light.I liked that he explained it in simple enough terms for a lay person to understand.I think anyone who reads this would be very glad they read it.It is informative and personally I cannot wait to have the next part of this phamplet. I think the time is ccoming when we all need to know how to protect ourselves again the enemy, and this certainly is clear and precise teaching of how to do just that.

I just completed reading The Complete Armor of God, which is a great little book. I have studied the Bible all of my life and even write some Bible Studies, but this one gave me fresh insight into the Armor of God scripture in Ephesians. I loved it and highly recommend it to others.

Very timely and useful, if only they (the people who are reading it) make use of it NOW. God Bless you all. Faith and prayer are desperately needed right now.

Sometimes it's really hard to understand the Bible. Poetic metaphor in any form can be difficult to analyse. Using language any Bible reader can understand, Pastor George McVey breaks down this portion of scripture to help anyone gain access to the armor of God. If you've struggled with getting this scripture into practice, this short booklet is a great start.

I really enjoyed this booklet. This author broke the passages down and explained them to make more sense than I have heard in any sermon. For the price of a trinket from the Dollar Tree, less than a soda that's bad for your health, you can purchase this booklet for a lifetime of spiritual knowledge.
