## Customer Reviews

This pamphlet is a great reference tool for the parables of Jesus. Thirty nine parables are listed in a chart format with scriptural references. Then they are further detailed with a summary and its interpretation. On the reverse side are two short discussions on interpreting and studying the parables. A helpful step by step guide carefully lays out what we should be looking for when reading them. A must for fully understanding the point Jesus was trying to bring out in his teachings. This pamphlet is very visually engaging and would be very helpful to have handy in a Bible class or in your own personal study!

This pamphlet has a wonderful chart giving you a quick view of all the Savior's parables. I love having somewhere to look and see them all at once. Lots of information on each with some nice pictures and illustrations. I'm glad I made this purchase!

This is another nice way to carry the parables around with you besides your bible. Gives short but clear explanations. Its light weight and easy to carry or keep in your bible as a study guide or reference tool.

The only value in this booklet is it is brief, so if you want a quick summary of the parables of Jesus try this. Galan misses the point of some parables in his summaries, and failed to emphasize that these are single stories with a single message; attempts to find meaning in many details misses the message of parables.

Easy reading for understanding parables. Short and to the point. Price is right? I enjoyed so much content in such a little pamphlet

I keep it and the other pamphlet clipped to the back cover of my bible so I have it for quick reference.

Arrived quickly & was exactly as described. Great seller & "THANK YOU SO VERY MUCH!"

Handy size, great presentation, high quality card stock. Using in Bible study group
